

American Legion Auxiliary  
Department of California  
Constitution & Bylaws

November 2011

At this time I hope every Unit has received notification that National has increased their per capita tax by \$4.00. Has your Unit reviewed their dues and decided whether or not they will be increasing their dues? If you are going to increase your dues, the time is now to get it done. Remember you will need to have two readings (at two separate meetings) and then the Unit votes on this amendment to your Bylaws. Please send me five (5) copies of the signature pages for Department President's Linda and myself to sign.

Remember, this should be done before March. On March 28, 2012, the Unit Data Form is due into the Department Office. On this form you put your Unit Dues and you want to make sure the correct amount is listed.

We have 17 Units that need to rewrite their Bylaws this year. To date I have only received 3. Every Unit that needed to rewrite their Bylaws received a letter from this chairman informing them. Please make sure you get these Bylaws rewritten by May 8, 2012 to be in compliance with Department.

To all District Constitution & Bylaws Chairmen a reminder in order to qualify for that gift at year end your midyear report is due to me by DECEMBER 15, 2011. I hope to hear some great stories that The Establishment (C & B Chairmen) have been working on.

For God and Country,
