Department of California
Junior Activities

Bulletin # 2

January 2012

Our juniors (aka Wranglers) thank all of you who participated in purchasing our Junior Conference Opportunity tickets at our DEC meeting. A very thank you to our Wrangler, Deja'Nae Trimble, Chappie James Unit #578, District 23. for her assistant in helping with the sell of our tickets. If your Unit or District still have tickets, please send the stubs and money to me as soon as possible. The tickets need to be in before April 1, 2012. If you are unable to sell them, please return them so we can possible re-issue them to someone else. Our goal is to sell at least \$7000.00 worth of tickets. We need your help very bad to achieve our goal. The present times, we have \$3000.00 from the sell of the tickets.

Remember the proceeds benefit our Junior Conference fees that help our juniors to have a place to attend their conference. This is the only means of support by selling the tickets. For those who need more tickets, please contact me so I may send them to you.

What are your juniors doing to help with the programs of the American Legion Auxiliary in your unit? Make sure they are helping assist you with our Veterans, Community, Children and Youth activities. These are some of the ways they can earn their patches. Make sure you explain the Patch Program to your juniors so they can earn the patches for each program. If you need the Patch Sheets, please go on line as they are on the website. You may go to the National or Department website to download the patch form. Please have these forms sent to me no later than May 1, 2012.

You will be getting year-end report very soon, so look for them on our website. Make sure you have everything your unit juniors are doing and have done for the year.

Wantu Robinson

Department Junior Activities Chairman
