

November Education Bulletin 2011

Our Holidays are approaching us very quickly. Let's keep in mind our military children come first. Distribute ALA KIDDS Flyer at your local elementary – middle and high schools.

Help educate our school administrators about unique mental health issues facing children of our military. Contact someone from our State Operation: Military Kids team, as they have all the information to assist the military child, and schools could take advantage of this resource.

Veterans Day November 11th invite a Veteran to your local ceremonies and have all of his or hers family to your Post for lunch. This would be a great time to ask them to come and talk and visit your local schools. (Veterans in a Classroom)

Remember National will be issuing a citation to one Unit in each Division for the most outstanding promotion of education for military children. Award entry shall be in narrative form and not to exceed 1,000 words. It may include pictures and other forms of publicity. Each Unit shall submit a cover page to include the name of the award entry, department name – unit name, contact info, and name/address of Unit Chairman. A copy on the Unit's department report form must accompany the narrative. Entries must be submitted to the Western Division Chairman by June 1st, 2012

District and Unit Education chairmen remember your Mid –Year report's, watch your deadline dates. Unit chairmen to your District chairman by Dec 14th, District Chairmen to me by December 28th, 2011.

Education Chairman/Sylvia Alcantar
