

Historian
2011-2012
Department Of California

Bulletin #1

October 2011

District & Unit Historians.

You should be busy taking pictures and keeping written records of your district/unit's activities. The rules for both the written and picture history books are included with this bulletin. Please pay attention to those rules. Also, encourage your juniors to get involved. Note that **ALL** Unit & District Books are eligible for submission to Department this year.

For President Linda's Department History, This Officer requests photos be sent via mail or email. Even if you are not making a book for your own district or unit, if you have them, send in some photos for the Department History. But PLEASE Label the people in the photos. You should already have some great unit/district installation photos , Wild West Shows, and September 11th events to submit. National President's Visit, R2R, Halloween & Make A Difference Day aren't far away either. Reminder: ANYONE Can Turn in Photos of your unit/district activities. There will be something for the person who sends in the most.

National has two projects this year.

The first one recognizes our Veterans.

The second one is a fun one, And California should have some interesting contributions.

1) Senior and Junior Historians are invited to participate in the Veterans History Project. <http://www.loc.gov/vets/kit.html>

2)Collect information about famous Auxiliary members.

a. Include information such as members' full name, years of Auxiliary membership, details of what they did or who they are and why they're famous. Also include where you found the information.

b.All information should be sent to the National Historian, Diane Harley, (historian@ALAforVeterans.org), as it is collected throughout the year, with a deadline of June 1, 2012.

If I could have addresses and emails of Historians, it would be most appreciated. Thank You to those of you who have sent me their contact information already.
