ALZORA CARTER, CHAPLAIN

SEPTEMBER 2011

WILD WEST SHOW PROGRAM ORIENTATION & TRAINING WRANGLERS

Congratulations to all of the District and Unit Spiritual Leaders!

We as the Spiritual Leaders of our perspective Districts and Units will be known as the “Preacher”. We are to provide Spiritual Guidance to those who are in need for our service.

As our new year has begun; we will have to wait on our National Convention to end before we receive our Plan of Action for Chaplain. The Plan of Action will be sent to all District Chaplains when received. Please share with your Unit Chaplains.

Just to give a little more information regarding Member Data Form and Death Notices. As we all should know that when a member has deceased, you should send a Member Data Form as soon as possible to the Department Office. Make sure to keep a copy for your records and send me a copy as well. Death Notices should be sent to the District Chaplain who should forward a copy to the Department Office and a copy to the Department Chaplain. Unit Chaplain must send a copy to your District Chaplain before sending it to Department. This information must be recorded to keep an accurate count of our beloved deceased members.

Do not forget to contribute to the “Loving Tribute Fund”. We as Chaplains aka Preachers should honor “The Four Chaplains”. You may do a joint Memorial with your Legion and Sons of the American Legion. More information will be sent on all of the above. This Chaplain is asking for prayers to be sent every week for our Department President Linda’s prayer book. We will have a contest for the most prayers sent by a District, Unit and an Individual.

We will continue to work together in harmony for “God and Country”.
