About the Passport

The American Legion Auxiliary Department of California "Passport to Volunteer" is a program and project tool book to help ALA members become more engaged and committed to volunteer on behalf of those we serve. Offering tips, tools, project ideas and program suggestions in a small, light weight booklet, members can easily and quickly log their activities in support of year-end reporting. Developed from the Department of Kansas strategic planning committee, using the passport will help every member enhance their activism to the American Legion Auxiliary's mission and vision and become a more committed unit member.
