**MANUAL OF CEREMONIES  
OF THE  
AMERICAN LEGION AUXILIARY**

Excerpts from the Revised Unit Handbook Published by National 2009

**Foreword**

This manual provides examples of suggested ceremonies for Unit meetings and special occasions. The use of ceremonies in the form presented here is not required by any official action of the American Legion Auxiliary National Organization. Ceremonies may be altered in accordance with the occasion; however, great care should be taken to insure that no ceremony is objectionable to persons of any religious denomination.

**District Meeting - Opening Ceremony**

Auxiliary meetings shall be opened in the following manner:

The District President shall seat the members with one rap of the gavel, officers shall take their stations and the doors of the meeting hall shall be closed by the Sergeant-at-Arms.

*District President:* “The meeting will now come to order.”

*The District President shall give three raps of the gavel and the members shall rise.*

*District President:* “The color bearers will advance the colors.”

*Note: Optional; a set of miniature flags may be used for the pledge, but they are never advanced or retired.*

*In place of the following prayer, the Chaplain may substitute one of the same length and general tenor:*

*Chaplain:* “God of our faiths, we pray that You to guide our work in this meeting and in all our days. Send your peace to our nation and to all nations. Speed the fulfillment of your promise of peace that shall have no end. We pray for all those

who serve the people and guard the public welfare. By Your blessing help them to discharge their duties honestly and well. We pray for our members. Help them to observe the strictest justice; keep alight the fires of freedom, strive earnestly for the spirit of democracy, and preserve untarnished our loyalty to our country and to You. We especially ask your blessing and comfort for all those who are suffering from the ravages of war. May our duty to them be ever alive in our minds. Finally, we remember lovingly before you our departed heroes. May their splendid example guide us, now and forever. Amen.”

### **Alternative Prayer #1**

“Lord, we come together looking toward the future of our organization. Be with us as we express our varying opinions and help us to have uppermost in our mind the needs of those whom we serve as we look toward a new direction for the American Legion Auxiliary. As we discuss areas of change, allow us to illuminate, and to be open to, the vision of others. Help us find greater clarity and purpose for our organization, a renewed commitment and a deeper appreciation of each other’s diversity and its importance to our overall mission. Help us to remember that it is in working together as one, and with Your help, we can accomplish great things. Amen.”

### **Alternative Prayer #2**

“Lord, with open minds and hearts, we come together for the betterment of the American Legion Auxiliary. We remember the experiences and knowledge from the past, with gratitude for your leadership and guidance. Help us to remember that in striving to help others: we work best as a team—not as individuals. Guide and direct us to do that which is right for our community, state and nation. Keep us committed to the overall mission of our organization. Help us to not only use what

we have gained from the past, but to plan and prepare boldly for tomorrow. We move confidently into the future with you by our side. Amen”

*District President:* “In memory of our dead let us stand in silence.”

*Soft music will add to the solemnity of the occasion. Taps. The members shall salute the flag of our country as it is advanced and placed in position.*

*District President:* “You will join me in pledging allegiance to the flag.” “We shall sing one stanza of our National Anthem, ‘The Star-Spangled Banner.’ “You will join me in repeating the Preamble to the Constitution of the American Legion Auxiliary.”

“For God and Country

We associate ourselves together for the following purposes:

To uphold and defend

The Constitution of the United States of America;

To Maintain law and order; To foster and perpetuate

A one hundred percent Americanism;

To preserve the memories and incidents

Of our associations during the Great Wars;

To inculcate a sense of individual obligation

To the community, state, and nation;

To combat the autocracy

Of both the classes and the masses;

To make right the master of might;

To promote peace and good will on earth;

To safeguard and transmit to posterity

The principles of Justice, Freedom, and Democracy;

To participate in and contribute To the accomplishment Of the aims and purposes Of The American Legion;

To consecrate and sanctify our association

By our devotion to mutual helpfulness.”

*One rap of the gavel by the District President shall seat the members.*

*District President:* “I now declare \_\_\_\_\_ District No. \_\_\_\_\_ Department of California regularly convened.”

*Chaplain:* “O God from whom all holy desires, all right counsels and all just works do proceed, give to Your servants that peace which the world cannot give; that our hearts may be disposed to obey Your commandments. With the fear of enemies being removed, may our times, by your protection, be peaceful. O God, who protects the nations who believe in You from being overwhelmed by any peril; allow others to accept the offerings of we, Your servants, that in Your mercy You may grant peace to all people and make them secure against all their enemies. O God, the author and lover of peace, to know whom is to live, to serve whom is to reign; shield Your people from all assaults, so that we who trust in Your protection may fear no foe. May we continue to make a difference in our communities through our dedication toward others. Grant us the necessary strength, wisdom and courage to continue our efforts with renewed enthusiasm and determination. Remind us that our duty to others does not end as we depart, but continues throughout our daily lives. Bless us and keep us until we meet again. Amen.”

### **Alternative Benediction #3**

“Lord, we ask that you give us pure hearts that we may see you, humble hearts that we may hear you and hearts of love that we may serve you. Lord, as we depart, allow kindness to rule in our hearts and compassion in our lives. In our journeys to and from-direct us; in our happiness and pleasure-bless us; in care, anxiety or trouble-sustain us; in peril and danger-protect us. Go now with us, in peace. Amen.”

*The first stanza of “America” may be sung by the membership.*

*District President:* “Till we meet again let us remember that our obligation to our Country can be fulfilled only by the faithful performance of all duties of citizenship. Let service to the community, state and nation be ever a main objective of the American Legion Auxiliary and its members. Let us ever be watchful of our organization and ourselves, that nothing shall swerve us from the path of Justice, Freedom, Loyalty and Democracy.

The color bearers will retire the colors.” (optional)

*Members shall salute the flag of our country as it is retired.*

*District President:* “I now declare the meeting of \_\_\_\_\_ District No. \_\_\_\_\_ of the American Legion Auxiliary, Department of \_\_\_\_\_ adjourned.”

*The District President gives one rap of the gavel.*

## **Initiation Ceremony – Long Form**

Initiation of candidates is an important function of the officers of each Unit. As important as the initiation is to impress the member of responsibility, it is NOT mandatory for membership.

*Properties:* To make the setting more effective, an appropriate covering should be used on the Unit President's table. Four candles in uniform holders should represent the four great principles of The American Legion and Auxiliary. A bowl of poppies, one for each candidate, should be on the table, with sufficient copies of the Auxiliary Constitutions, Flag Codes, membership, information brochures, small American flags, Auxiliary pins and other desired materials. An emblem light, if available and gavel add to the effectiveness. It is recommended that Units purchase all props to be used in the initiation ceremony.

*Setting:* Chairs should be placed in the front row for the candidates. If there are more candidates than can be seated in the front row on both sides of the center aisle, enough room should be left between rows so that the Sergeant-at-Arms and Assistant Sergeant-at-Arms can present materials to each candidate at the appropriate time during the initiation. Any officer or member other than those designated may be assigned to parts in the initiation ceremony.

*Dress:* No formal attire or uniforms are necessary.

*Procedure:* Before the meeting begins, the Sergeant-at-Arms should have a list of candidates' names. She should line up the candidates for the processional, instructing them that she will request their entrance at the appropriate time in the

initiation ceremony. When the Unit President has asked that the candidates for membership be presented, the Sergeant-at-Arms and Assistant Sergeant-at-Arms will lead the procession of candidates with the Sergeant-at-Arms on the left and the Assistant Sergeant-at-Arms on the right. Candidates will be conducted to reserved seats in the front row(s) on the right and left. Candidates should be informed that the ceremony of initiation is of a serious nature. Any light or humorous aspects of the Unit's initiation tradition shall be kept separate and apart from the formal initiation. Candidates should be told to remain standing during the initiation until they are told to be seated by the Unit President.

Soft music may be played during the initiation.

*Unit President:* "We shall now proceed to the initiation of new members. In order that we may impress upon the candidates the serious and sacred obligations of Auxiliary membership, all present will conduct themselves in a manner befitting such ceremony. The Sergeant-at-Arms shall ascertain if any candidates for initiation are present."

*The Sergeant-at-Arms proceeds to the anteroom. Returning, she stands just within the door and addresses the Unit President:*

*Sergeant-at-Arms:* "Madam President, there are (number of candidates) who are qualified for membership in the American Legion Auxiliary, and are waiting to be presented."

*Unit President:* "You will conduct them into the meeting hall and place them properly before the flag of our country."

*The Sergeant-at-Arms proceeds to the anteroom to call for the candidates. With the Assistant Sergeant-at-Arms, the candidates are conducted to the seats reserved in the front of the room where they remain standing. When the candidates are in place facing the Unit President, the Sergeant-at-Arms faces the Unit President.*

*Sergeant-at-Arms:* “Madam President, I present these candidates for initiation into the American Legion Auxiliary.” The Unit President gives three raps of the gavel.

*Unit President:* “The Chaplain will offer prayer.”

*The Chaplain leaves her station and approaches the Flag of our Country, standing beside the Flag and facing the candidates.*

*Chaplain:* “Let us pray. Father of our Faiths, as we participate in this initiation service, we express our pride and satisfaction in welcoming these new members of the American Legion Auxiliary. Help us to be a good example of the principles of our organization so that they may learn, and to make them a valued part of our service to others, so that Your Name may be glorified. May the full significance of the emblem of our organization, Justice, Freedom, Democracy and Loyalty, be exemplified through our service to our country and to You. Bless The American Legion as it charts our course and the American Legion Auxiliary as we carry out our program of service. Grant that all of us may seek Your guidance throughout our lives. Amen.”

*The Chaplain returns to her position. The membership is seated by one rap of the gavel and the Unit President then addresses the candidates.*

*Unit President:* “We are indeed pleased to receive you into the American Legion Auxiliary. Your desire to associate with us is a source of satisfaction to the members of this Unit. Your membership will represent additional strength to sustain the principles for which we are organized. We shall now travel spiritually with you as the officers explain the philosophy of life that unites us. The American Legion Auxiliary cherishes four great principles: Justice, Freedom, Democracy and Loyalty. Before you are asked to assume the obligations which they entail, you will hear them explained. Sergeant-at-Arms, conduct the candidates to the first Vice President who will instruct them in Justice.”

*On desk or table have a bowl of poppies and sufficient copies of the Constitution for each candidate. Copies of the Constitution may be procured from Department Headquarters at a nominal cost, if Unit Constitution is not available.*

*The Sergeant-at-Arms conducts the candidates to the designated position in front of the First Vice President. The First Vice President rises.*

*Sergeant-at-Arms:* “Madam Vice President, I present these candidates to you for instruction in Justice.”

*First Vice President:* “Justice is the highest code by which humanity is governed. True Justice makes no distinction of persons. Justice recognizes neither rich nor poor, the classes nor the masses. Justice transcends all boundaries of race and creed. Justice is not weak but merciful. Justice views all sides impartially, without anger, without malice. Foster with all your energy a spirit of Justice, for Justice is the guiding star of life and upon it rests the future of our nation. These poppies are the official flower of The American Legion and the American Legion Auxiliary. They are in memory of those who gave their all that Justice might be supreme.

Never forget their sacrifice. May your actions forever bring credit to our organization, which is a living memorial to the veterans who fought in order that Justice, the divine right of man, might ever endure. I give you a copy of our Constitution, in which you will find a practical application of the ideals of Justice.

Sergeant-at-Arms, conduct the candidates to the Second Vice President, who will instruct them in Freedom.”

*Have on desk or table the gavel, bell and sufficient flags for each candidate. The Sergeant-at-Arms conducts the candidates to the designated position in front of the Second Vice President. The Second Vice President rises.*

*Sergeant-at-Arms:* “Madam Vice President, I present these candidates to you for instruction in Freedom.”

*Second Vice President:* “Freedom is, among all the rights of mankind, the one held most dear. Freedom is an ideal of surpassing strength for which men throughout the ages have willingly fought and died. Freedom is the power of self-determination.

In the War of the Revolution, Freedom was won for the people of the United States; as in all wars. Freedom was the torch that led our men through the darkness of the conflicts; and again, Freedom will be the torch which will lead us to victory. You must guard well the Freedom of this Unit. You must keep the American Legion Auxiliary, a free organization of free women, faithful to the ideals that made it possible. Above all, you must prevent anything being done to prejudice the people of the United States, whose foundation is the rock of liberty. This bell, a reproduction of the Liberty Bell, which in bold and clarion tone rang out the

Freedom of a new nation, is to remind you that you must never forget that America is the cradle of Freedom. I give you the American Flag, the emblem of Freedom.

Sergeant-at-Arms, conduct the candidates to the Junior Past President who will instruct them in Democracy.”

*Have, on desk or table, sufficient American Legion Auxiliary pins for each candidate. The Sergeant-at-Arms conducts the candidates to the designated positions in front of the Junior Past President.*

*The Junior Past President rises.*

*Sergeant-at-Arms:* “Madam Past President, I present these candidates to you for instruction in Democracy.”

*Junior Past President:* “Democracy is government of the people, by the people, and for the people. Democracy is American in principle and universal in appeal. Democracy offers a voice in government to every citizen, and in its benefits every citizen may share. To the American Legion Auxiliary, Democracy is concrete and actual. We express it in our meeting halls where distinction of rank is banished, and all are equal in a common service. Permit every member a free voice, but not a voice so free as to transcend the limits of liberty. Ever remember, Democracy can exist only where each one knows and accepts the responsibility of service to community, state, and nation. In all our undertakings, seek to prove that all are born equal, with certain natural rights, and that a nation dedicated and true to this principle shall endure forever. I give you the emblem of the American Legion Auxiliary, which is also an emblem of Democracy.

Sergeant-at-Arms, conduct the candidates to the President who will instruct them in Loyalty.”

*The Sergeant-at-Arms conducts the candidates to the designated position in front of the Unit President. The Unit President rises.*

*Sergeant-at-Arms:* “Madam President, I present these candidates to you for instruction in Loyalty.”

*Unit President:* “Loyalty is the cornerstone of the American Legion Auxiliary, since it is one of the first virtues of a soldier. Loyalty is as dear as Justice is desirable, as Freedom is glorious, as Democracy is practical. Loyalty is one of the first requirements of a citizen. In the American Legion Auxiliary, Loyalty will lead us to defend our organization in all that is right, and to do our utmost to keep it in the right. Loyalty to country and self is the basis of true Americanism. You must ever see that the officers of this Unit are loyal to their duties; that the members of this Unit are loyal to The American Legion; that the American Legion Auxiliary is loyal to its principles; and that this land of ours is loyal to itself. By this time you understand that the American Legion Auxiliary is a united organization.

Composed, as it is, of members of every race, religion, occupation, and political conviction, it is obligated to strict neutrality on all questions concerning religion, politics, and industrial strife. You have heard its four great principles, Justice, Freedom, Democracy and Loyalty explained. Are you now ready and willing to obligate yourself as expressed in the Preamble to the Constitution of the American Legion Auxiliary? If so, you will each answer `I am.’”

*Candidates:* “I am.”

*All candidates must answer and signify, they are willing to assume the obligation.  
The Unit President shall give three raps of the gavel and members shall rise while  
candidates repeat the obligation to the Auxiliary.*

*The Unit President will step to the right, immediately next to the American Flag  
and will raise her right hand and address the Candidates.*

*Unit President:* “You will raise your right hand and repeat after me using your  
name where I use mine:

“I, (here give your name)

Do solemnly pledge

To uphold and defend

the Constitution Of the United States of America:

To maintain law and order;

To foster and perpetuate

a one hundred percent Americanism;

To preserve the memories and incidents

Of our associations during the Great Wars;

To inculcate a sense of individual obligation

to the community, state and nation;

To combat the autocracy

Of both the classes and the masses;

To make right the master of might;

To promote peace and good will on earth;

To safeguard and transmit to posterity

The principles of Justice, Freedom, and Democracy;

To participate in and contribute

To the accomplishment

Of the aims and purposes

Of The American Legion;  
To consecrate and sanctify our association  
By our devotion to mutual helpfulness  
To all of which I pledge myself  
For God and Country.  
I am not a member and do not subscribe to  
the principles of any group  
Opposed to our form of government.”

*At the conclusion of the obligation, the Unit President will resume her station and seat the membership with one rap of the gavel. The Unit Chaplain rises and stands at some convenient location close to the emblem and calls the attention of the candidates to the emblem of the American Legion Auxiliary. All lights, except those of the four candles shall be extinguished. Silence shall be observed for ten seconds – soft music shall be played. Using an emblem light, if available, or the banner, a pin or picture of the emblem, the Unit Chaplain should say:*

*Chaplain:* “The emblem of the American Legion Auxiliary is your badge of distinction and honor. It stands for God and country, and the highest rights of mankind. It consists of several parts and each part has a meaning. The rays of the sun that form the background stand for the principles of the American Legion Auxiliary; Loyalty, Justice, Freedom and Democracy, dispelling the darkness of violence, strife and evil. The star of blue is the emblem of service in war; it is no less the emblem of service in time of peace. The emblem of the American Legion Auxiliary is the emblem of Americanism. Americanism is unity of love, singleness of allegiance, practicality of purpose, care of the distressed, and the education of children, all directed to the promotion of a common good. As members of this

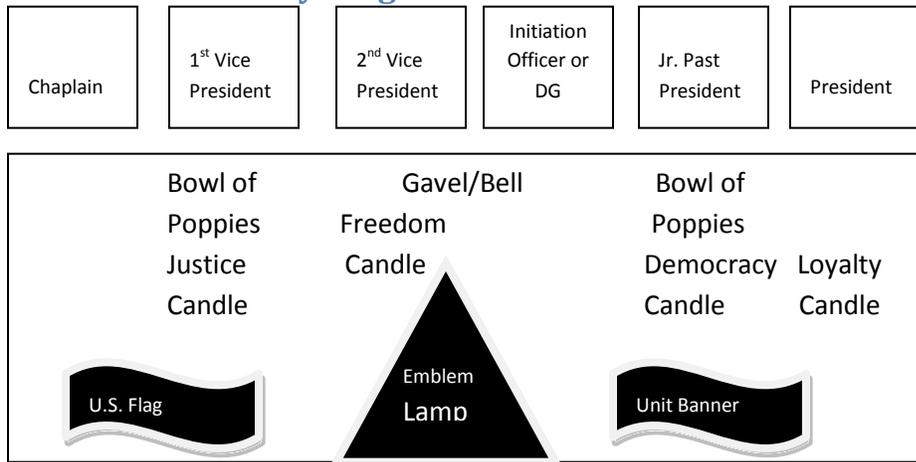

organization, we must preach and teach the principles of Americanism. Let us not forget that to each generation comes its patriotic duty and that upon your willingness to sacrifice and endure as those before you have sacrificed and endured, rests the hope of the nation.”

*Lights are turned on and one rap of the gavel seats membership.*

*Unit President:* “On behalf of the American Legion Auxiliary, Department of California, I welcome you to membership in this Unit. May you enjoy your association with us and always be a loyal member of the American Legion Auxiliary.”

*(Music) The Unit President introduces each newly obligated member to the membership and requests the Sergeant-at-Arms to seat them with the members in the chairs reserved in front of the room.*

### Initiation Ceremony Diagram

*This simplified basic Initiation ceremony may be elaborated upon if the Unit so desires. Soft music may be played during the ceremony.*

## **Initiation Ceremony - Short Form**

The props, setting, participants and procedures for the short form of the Initiation Ceremony are much the same as that of the long form. However, the number of participants are not the same, and the ceremony is not as detailed.

*Initiation Officer:* “We shall now proceed with the Initiation. You are requested to remain in silence. The Sergeant-at-Arms shall present the candidates for initiation.”

*The Sergeant-at-Arms proceeds to the rear or anteroom, ascertains if the Assistant has the lines ready and then addresses the Initiation Officer.*

*Sergeant-at-Arms:* “Madam Initiation Officer, I present the following candidates: (Reads their names.)”

*Initiation Officer:* “You will conduct the candidates to the front and place them properly before the flag of our country.”

*(Music) Sergeant-at-Arms and Assistant shall escort the candidates to the front.*

*Initiation Officer:* “Your desire to associate with us is a source of satisfaction to the members of this Unit. Your membership will represent additional strength to sustain the principles for which we are organized.”

*Three raps of the gavel for membership to stand.*

*Initiation Officer:* “The Chaplain shall offer prayer.”

*Chaplain:* “Let us pray. Father of all, we come to ask your blessing upon us. We thank you for your guidance and tender love in times of need. Keep us steadfast, O

God, in the cause of human rights, liberty, and true Americanism. Help us to remember that in days of peace as well as in times of war, there is need for unselfish service in the interest of these principles. With our thanks, may the memories of those who have died in service remind us of all they have done and inspire in us a renewed patriotism. Amen.”

*One rap of the gavel to seat membership.*

*Initiation Officer:* “The American Legion Auxiliary cherishes four great principles: Justice, Freedom, Democracy and Loyalty. Before you are asked to assume the obligation you will hear them explained.”

*Have sufficient copies of the Constitution and a poppy for each candidate. Copies of the Constitution may be procured from your Department Headquarters at a nominal cost.*

*First Vice President:* (Rises) “I light the candle of Justice. Justice is the highest code by which humanity is governed. True Justice makes no distinction of persons and transcends all boundaries of race and creed. Justice views all sides impartially, without anger, without malice. We should all foster a true spirit of Justice, for it is the guiding Star of Life and upon it rests the future of all Nations. These poppies are the official flower of The American Legion and the American Legion Auxiliary. They are in memory of those who gave their all that Justice might be supreme. May your actions forever bring credit to our organization, which is a living memorial to the heroes of the World Wars, who fought in order that Justice, the divine right of man, might ever endure. I give you a copy of our Constitution, in which you will find a practical application of the ideals of Justice.”

*Sergeant-at-Arms and the assistant shall distribute a poppy and a copy of the Constitution to each candidate.*

*Second Vice President:* (Rises) “From the candle of Justice, I light the candle of Freedom. Freedom is among all the rights of mankind the one held most dear. In the war of the Revolution, Freedom was won for the people of the United States; in the World Wars, Freedom was the torch that led the men through the darkness of conflict. You must help us keep the American Legion Auxiliary, a free organization of free women, faithful to the ideals upon which it was founded. This bell is a reproduction of the Liberty Bell which rang out the freedom of a new nation, and may it ever remind you that America is the cradle of freedom. The flag of the United States is the emblem of Freedom.”

*Sergeant-at-Arms and the assistant shall give each candidate a small flag and a copy of the Flag code.*

*Junior Past President:* (Rises) “From the candle of Freedom I light the candle of Democracy. Democracy is government of the people, by the people and for the people. American democracy offers a voice in government to every citizen so that all may share in its benefits. Democracy can exist only where each knows and accepts his responsibility of service to his community, state and nation. The emblem of the American Legion Auxiliary is the emblem of Democracy.”

*Sergeant at Arms and the assistant shall distribute informational materials on the Auxiliary.*

*Initiation Officer will quietly move the Freedom candle toward the Junior Past President’s station so that it is easily accessible for her part in the ceremony.*

*Unit President:* (Rises) “From the candle of Democracy I light the candle of Loyalty. Loyalty is one of the first requirements of a citizen and is the cornerstone

of the American Legion Auxiliary. Loyalty will lead us to defend our organization in all that is right. May the officers of this Unit be loyal to their duties and all the members be loyal to the principles of The American Legion. Loyalty to God, to country and to self is the basis of true Americanism. You have heard explained the four great principles of the American Legion Auxiliary, Justice, Freedom, Democracy and Loyalty. Are you now ready and willing to obligate yourself to these principles?"

*Candidates:* "I am."

*All candidates shall signify verbally their willingness to take the obligation. Three raps of the gavel and the members shall stand.*

*Unit President:* "You will raise your right hand and repeat after me:

I do solemnly pledge

to be a loyal member of

the American Legion Auxiliary.

To uphold and defend

the Constitution of the United States of America;

to maintain law and order;

to foster and perpetuate a one hundred percent Americanism;

to all of which

I pledge myself

to God and country!

I am not a member of

and do not subscribe to

the principles of any group

opposed to our form of government.' "

*At the conclusion of the obligation, all lights, except those of the four candles shall be extinguished. Silence shall be observed for ten seconds, soft music shall be played, and without a cue the Chaplain shall call attention to the emblem. This may be an emblem light, the banner; a pin, or a picture of the emblem.*

*Chaplain:* “The emblem of the American Legion Auxiliary is your badge of distinction and honor. It stands for God and country and the highest rights of mankind. It consists of several parts and each part has a meaning. The rays of the sun that form the background stand for the principles of the American Legion Auxiliary; Loyalty, Justice, Freedom and Democracy; dispelling the darkness of violence, strife and evil. *Lights are turned on and one rap of the gavel seats membership.*

*Initiation Officer:* “On behalf of the American Legion Auxiliary, Department of California, I welcome you to membership in this Unit. May you enjoy your association with us and always be a loyal member of the American Legion Auxiliary.”

*Music*

*Initiation Officer:* “Sergeant-at-Arms, you will conduct these new members to their chairs.”

*Sufficient chairs shall be reserved in the front of the room.*

### **Installation of Officers - Short Form**

Unit officers shall be installed immediately following their election or as soon thereafter as possible.

The Installing Officer for a Unit installation shall be a past Unit President, past or present District President, past or present Department or National officer or any person designated by the Unit. A list of the Unit officers-elect should be prepared in advance for the Sergeant-at-Arms and all officers-elect should be seated in a reserved section, preferably near the front of the room. In this simplified ceremony only the Installing Officer, Unit President and Sergeant-at-Arms officiate, but an Installation team, stations for each officer, obligations given by outgoing officers, pins, badges and ribbons may be used to make the ceremony as elaborate as the Unit desires.

*Unit President:* “We shall now proceed with the installation of officers. The Sergeant-at-Arms shall present the Installing Officer.”

Sergeant-at-Arms conducts the Installing Officer to the platform. Unit President makes a short introduction as to the name, office and past services to the Auxiliary of the distinguished guest.

*Installing Officer:* “Sergeant-at-Arms, you will call the roll of officers elect of this Unit.”

*They, as their names are called, in order of rank, beginning with the president-elect, will either line up in the rear of the room or step forward forming a line*

*before the Installing Officer. If the Unit desires to use a processional, the pianist will play appropriate music for marching.*

*Sergeant-at-Arms:* “Madam Installing Officer, I present to you the officers-elect of this Unit.”

*Installing Officer:* “You have been chosen to fill the various offices of this Unit. You will familiarize yourself with the duties of your respective offices as given in the Unit Handbook. Always remember that the welfare and success of this Unit depend upon you. Therefore, I would remind you of the obligation which every American Legion Auxiliary member assumes the obligation of preserving the integrity of The American Legion and the American Legion Auxiliary, contributing to the aims and purposes of our organization, the ideals of Justice, Freedom, Democracy and Loyalty. This we ask in Your name. Amen.”

*One rap of gavel to seat members.*

*Sufficient chairs should be reserved in the front of the room if this ceremony takes place before a Unit meeting or any other gathering.*

## **Ceremony for Permanent Retirement for Unserviceable Flags**

It is assumed that prior to this ceremony new National Colors and Unit Standard have been appropriately dedicated. The Unit meeting is opened in the usual manner. The one exception is that Color Bearers will stand beside Color Stands holding Colors at “carry” instead of placing them in Color Stands.

*Sergeant-at-Arms:* “Madam President, I wish to present our unserviceable flags for inspection and permanent retirement.”

*Unit President:* “Sergeant-at-Arms, select a detail from among our members present and advance with the flags to be retired.”

*Sergeant-at-Arms selects two members who take National Colors and Unit Standard to be retired - and with the Sergeant-at-Arms on the right, advance to the Unit President’s position.*

*Unit President:* “Madam Second Vice President, will you inspect these flags?”

*Second Vice President:* “Is the present condition of these flags the result of their usual service as the emblem of our Country and of our Unit?”

*Sergeant-at-Arms:* “These flags have become faded and worn in the service of \_\_\_\_\_ Unit No. \_\_\_\_\_ American Legion Auxiliary. Department of California.”

*Second Vice President retires.*

*Unit President:* “Madam First Vice President, will you inspect these flags?”

*First Vice President:* “How did these flags come to their present condition?”

*Sergeant-at-Arms:* “In the service of memory and tribute to our honored dead of all wars.”

*First Vice President:* “Present them to our Unit President for final inspection and fitting retirement.”

*The Sergeant-at-Arms commands the detail “about face” so that they face the Unit President.*

*Sergeant-at-Arms:* “Madam President, we have the honor to present for inspection and proper retirement our unserviceable flags.”

*Unit President:* “Have these flags been inspected by the First and Second Vice Presidents?”

*Sergeant-at-Arms:* “They have.”

*President:* “Madam Second Vice President, what does your inspection show and what do you recommend?”

*Second Vice President:* “Madam President, these flags have become unserviceable in a worthy cause. They have served our beloved Unit well. I recommend that they be honorably retired from further service.”

*President:* “Madam First Vice President, what does your inspection show and what do you recommend?”

*First Vice President:* “Madam President, these flags have become faded and worn in a service of tribute and love. I recommend that they be permanently retired and eventually destroyed.”

*Unit President:* “My fellow members -- we have presented here the flag of our Country and the standard of our Unit which have been inspected and condemned as unserviceable. They have reached their present state in a proper service of tribute, memory and love. Let these flags – faded though they be, but so rich in memories and traditions be permanently retired and destroyed with respectful and honorable rites.

“Comrades two, tried and true, peace to you.  
May your ashes rest where our heroes are,  
And your memory shine like the morning star.  
Comrades two, tried and true, farewell.”

*Unit President:* “Sergeant-at-Arms, retire the flags!”

*Sergeant-at-Arms gives the command “About face.”*

*Unit President:* “Unit Salute!”

*At the command salute, Sergeant-at-Arms orders “forward march!” Color Bearers --National Colors remain erect at the “carry.” Unit standard is dipped in salute as retiring Colors are marched to rear of the hall. Unit Color Bearers then insert their flags in the flag stands and take their places among the Unit members.*

## **Services for the Deceased - Funeral Service**

The American Legion Auxiliary service is non-sectarian. Therefore, it may be varied in accordance with the religious belief of the deceased. The wish of the family of the deceased, and of the officiating pastor, should be respected.

### *Music*

*Unit President:* “Death has entered our ranks and members of (name of Unit) of the American Legion Auxiliary are here to pay tribute to one who has been called to the High Command.”

*Chaplain:* “Let us pray. God of infinite Love and Mercy, draw near to us in this hour of grief. Open our hearts to Your comforting presence and our eyes to the realities of Eternal Life. May the darkness of death be replaced by the dawn of eternity, and the present pangs of separation to the joys of future reunion. Grant us, O Father, that our present sorrow may bring us closer to You, and that our hearts may be cleansed and purified by Your grace. We thank You for the understanding that death does not really separate us from the departed. Help us to look beyond the grave and see the glories of that new Life. Help us to know that our loved ones who have passed on are not dead, but are living and enjoying Your Grace and Love more than when here upon earth. O Father, we earnestly pray for our departed member, that she may enter into all the joys of the life beyond. We pray that by cherishing her memory and by cultivating Your presence, we, too, may grow up into that more perfect Life in which death has no power and sin no part. Amen.”

Or This:

“Let us pray. Lord of all life, who ever lives again. You have taught us the measure of our days. We are strangers with You and sojourners, as our fathers were. Our

days are as a shadow and there is none abiding. But you abide. Your years fail not. You never change. A thousand years in Your sight is but as yesterday when it has passed. The grass withers, the flowers fade, but Your word endures forever. And therein is our help and hope. You heal the broken hearted and bind up the wounds. Comfort Your people, in their sorrow. May there be no bitterness, no doubt of Your eternal goodness. Have them know that You have not mocked us with this stubborn hope of life eternal; that having created and cared for us You will not desert us to the dust; that You hold us with a love unfailing; that our dead are in Your keeping; and that You are able to do for them above all that we ask or think. Until for us also the daybreak and shadows flee away, grant us to so live that our lives may honor the members who have gone before us. Thus together may we come to that City which You have prepared for them that love You and keep Your commandments. For Your own name's sake we pray. Amen."

*Music*

*Unit President:* "Eternal rest grant unto her, O Lord."

*Chaplain:* "And let perpetual light shine upon her."

*Unit President:* "May she rest in peace."

*Chaplain:* "Amen."

*Unit President:* "May her soul and the souls of all faithful departed through the mercy of God rest in peace."

*Chaplain:* "Amen."

*Prayer*

*Chaplain:* "Let us pray. O God, our heavenly Father, who ushered Your children into life and recalls the soul to Yourself in Your own good time, we thank You for the sweet memory of those dear to us who have been gathered to their fathers. We praise You for all the hallowed influences of our lives and for the rest and peace which they have found with You. May they still be a joy and an inspiration to us; may they quicken us to a more useful life, to higher hopes and greater contentment

of spirit, so that in our departure we, too, may leave a memory and example that shall serve as a hope and inspiration to those who follow us. Send Your consolation, we pray You, to those who today recall the loss of loved ones. Speak peace to hearts that are wounded by recent bereavement. Comfort them with the thought of Your wisdom and justice, which You in Your fatherly love grants to Your trusting children. In final submission to Your will and in joyous hope of life everlasting, we praise You in whose hands are the souls of all creatures and the spirits of all flesh.”

Unit President: “Extolled and hallowed by the name of God throughout the world which He has created, and which He governs according to His righteous will. Just is He in all His ways, and wise are all His decrees. May His kingdom come, and His will be done in all the earth.”

Chaplain: “Praised be the Lord of life, the righteous Judge forevermore. Amen.”  
*(Music if desired.) Scripture. Appropriate portion, such as the 90th, 103rd or 130th Psalms - Donay version, 89th, 102nd, or 129th; Jewish Publication Society version. Psalms 15th, 23rd, or 91st.*

*Unit President:* “This final moment of visible presence with the one who has left us, is sacred. Let us not remember her in anguish, for she would not have it so. Tears or words of sympathy cannot bring back the comfort of those loving hands, or the music of the voice that is stilled. Only solemn pride in her service is theirs who live to remember. To those who are left behind, we realize how futile are mere words to express our deep and abiding sympathy in their loss. May they feel that she is at rest and in endless peace. Surely there is an after-life for all who have been loyal and true: a life to which light and peace shall come, where the burden shall be lifted and the heartache shall cease, where the love, the hope, and the

fulfillment that escapes us here shall be given to us to be ours forever.” *When there is a service at the home, the President and members may at this point place a poppy or carnation within or upon the coffin.*

*Benediction by Chaplain (if desired).*

*Unit President:*

“Goodbye, till morning come again,  
We part, if part we must, with pain,  
But night is short, and hope is sweet,  
Faith fills our hearts, and wings our feet  
And so we sing the old refrain,  
Goodbye, till morning come again,  
Goodbye, till morning come again,  
The thought of death brings weight of pain  
But could we know how short the night  
That falls, and hides them from our sight,  
Our hearts would sing the old refrain,  
Goodbye, till morning come again.”

### **At The Graveside**

*(If no previous American Legion Auxiliary service has been held, the service for church chapel or home may be read at the grave, prior to the following committal.)*

*Unit President:* “Forasmuch as it has pleased God to take unto Himself the soul of our departed member (name), we therefore place these poppies, the memorial flower of the American Legion Auxiliary, in her memory.”

*Chaplain places poppies on casket or in some designated place.*

Chaplain: “The Lord bless and keep you. The Lord make His face to shine upon you, and be gracious unto you. The Lord lift up His countenance upon you and give you peace, both now and evermore. Amen.”

### **Memorial Service - Taps**

Any officer or member other than those designated may be assigned to parts in the memorial service.

*Unit President:* “We have come to that time set aside in our program, to pay tribute to the memory of those members of the American Legion Auxiliary who have answered the call of the Supreme Commander during the past year. The rich blessings of their lives of Service to God and Country inspire us to rededicate ourselves anew in their memory.”

*Chaplain:* “Many years ago a group of women had a dream. They envisioned the formation of an organization that could render service to others - an organization to give a hand of love and comfort to the wife, the mother or the orphan of our deceased veterans, and to those in sickness. Those valiant women, with the true spirit and ambition of pioneers, surged forward to great heights and their dreams became a reality, The American Legion Auxiliary. This organization is founded on the sacred principles that there is no rank among us; no distinction as to color, race or creed, but rather the wish, the desire and the firm determination to be of service to others. As we observe a quiet moment to pay tribute, by word and song, to the memory of those beloved members whom Our Heavenly Father, in His Infinite wisdom hath called Home; those whose lives have reflected much glory for us; we believe it is a time for rededicating our services and ourselves for God and

Country.’ It is time for remembering that death is not the end, rather it is the beginning of a new life to be lived in the presence of our Lord. “As we assume the unfinished tasks of these departed members, may we consecrate that task as a living memorial within ourselves; a firm determination to so live our lives that our priceless heritage, won for us at so great a cost, shall be ours to uphold, to defend, and to pass along to those who shall follow in our footsteps.”

*Memorial Chairman:*

“There comes a time for all of us, when we must say goodbye,  
But faith and hope and love and trust can never, never die;  
Although the curtain falls at last, is that a cause to grieve?  
The future’s fairer than the past if only we believe  
And trust in God’s eternal care. So when the Master calls,  
Let’s say that life is still more fair, although the curtain falls.”

*Solo (“You’ll Never Walk Alone,” or an appropriate piano solo is suggested.)*

*Chaplain:*

“A child or loved one to us loaned  
Was ever by the Father owned.  
Allotted time they’re ours to keep  
When God reclaims, we’ll trust, not weep.  
Deep within our hearts will remain the sainted memory of those members whose names shall be engraved on the pages of our Book of Memories, as we honor them today.”

*Unit Chaplain reads the names of all deceased Unit Members. Deposits white and colored flowers in their memory.*

### **Gold Star Mothers:**

“I place this flower in honor of those members whose lives had been saddened by the sacrifice of War, but whose Loyalty and Devotion to the American Legion Auxiliary, in order that they might be of service to others, has ever been an inspiration, a guiding light to all. We pay homage to their memory. May they live together in Faith and Love and with the Hope of Divine Blessing, which is immortality.”

*Place flowers for deceased Gold Star Mothers.*

### **Junior Members:**

“She is not dead-the child of our affection

But gone unto that school

Where she no longer needs our poor protection.

But day after day we think of what she’s doing

In those bright realms of air;

Year after year, her meager steps pursuing,

Behold Her, grown more fair.

To those Junior members, Our Seeds of Destiny, whom we have loved and lost so soon, and who hold in their hands the future of the American Legion Auxiliary, we lovingly place these flowers.”

### *To Our Membership:*

“To the memory of those members, numbering including our Past Unit Presidents who have been mourned by the Unit this year, we bow in tribute. To those members unrecorded but who leave a vacant chair at their family fireside and whose passing is known to God, we reverently add these flowers.”

### *Chaplain:*

“God’s beautiful handiwork, the blossoms of Youth and Life are so closely associated with our organization and with our membership, that we leave these flowers, knowing that they too, as all material things do, shall wither and die but their fragrance shall linger forever in our memory.”

*They Softly Walk*

by Hugh Robert Orr

They are not gone who pass  
Beyond the clasp of hand,  
Out from the strong embrace.  
They are but come so close  
We need not grope with hands,  
Nor look to see, nor try  
To catch the sound of feet.  
They have put off their shoes  
Softly to walk by day  
Within our thoughts, to tread  
At night our dream-led paths  
Of sleep.  
They are not lost who find  
The sunset gate, the goal  
Of all their faithful years.  
Not lost are they who reach  
The summit of their climb,  
The peak above the clouds  
And storms. They are not lost  
Who find the light of sun  
And stars and God.

They are not dead who live  
In hearts they leave behind.  
In those whom they have blessed  
They live a life again,  
And shall live through the years  
Eternal life, and grow  
Each day more beautiful  
As time declares their good,  
Forgets the rest, and proves  
Their immortality.

*Solo (“The Lord’s Prayer” or any appropriate solo is suggested.)*

*Unit President:* “The Chaplain will offer prayer.”

*The President shall give three raps of the gavel and the members shall rise.*

*Chaplain:* “Now that they have gone, we can well believe that a voice is saying: ‘Well done Thou good and Faithful Servant, Enter Thou into the Joy of Thy Lord.’ To all of these members whose well won right to stand among that valiant company of women, who by their courage, their unselfishness and their vision have helped so largely down through the years to make America great, we solemnly bow our heads in Prayer.

O Gracious Father, we lift our voice to You, to thank You for continuing to watch over us in our hour of trial, ever ready to direct and guide our faltering steps. We thank You for the rich experiences and for the many friendships enjoyed by Your children here. We Thank You for the knowledge that in their passing they do not

tread the Valley of Shadow alone, that always that Giver of Gifts, the Great Comforter is present as they enter that Eternal Haven of Rest. Grant, O Lord, continued Peace to the souls of our departed members and give us understanding and appreciative hearts. Help us to bequeath added blessings to the generations yet to be. Lead us and guide us evermore by the teachings of Your goodness. As we witness Your handiwork in the heavens and the beauties about us, we feel Your presence ever near. Grant that Your spirit may continue to dwell in the hearts of the American Legion Auxiliary. Let us not fail those whom we honor by ceasing to do good, or to turn from Your guiding hand. We know, O Lord, Your will be done. Amen.”

*Taps, followed by Echo of Taps.*

*One rap of the gavel and the members shall be seated.*

### **Memorial Service for Auxiliary Members - Short Form**

*Music (To be selected)*

*Prayer by Chaplain*

*Unit President:* “Death has entered our ranks and we pause to pay tribute to those of our members who have passed to the Great Beyond during the past year. We shall keep in hallowed memory the lives of these members whom we have loved and `lost awhile.’ We shall strive to pattern our lives after their zeal for patriotism and their devotion to duty, as we rededicate ourselves to the unfinished work which their hands began.”

*As each name is called, a candle is lighted or a white flower placed in a low bowl while soft music is played.*

Memorial Chairman:

“In God’s great garden of our lives,

Some rain is sure to fall,  
But after that He sends the sun  
To triumph over all  
And so when sorrow comes to us  
And teardrops cloud our day  
He sends us strength to bear our load  
And light to guide our way.”

*Unit President:* “The Chaplain will offer prayer.”

*Three raps of the gavel for membership to stand.*

*Chaplain:* “Let us pray. We give thanks for the good examples of all those Your servants who, having finished their course in faith, do now rest from their labors. Have us to know that we shall be remembered for what we have done for others, not what others have done for us. Each one of us exerts an influence upon those with whom we come in contact. As we go along the years, a single act of advice, encouragement, or caution, may decide a question of usefulness and happiness for another. O God, whose presence is everywhere and whose mercy never fails, we magnify You for Your gifts, especially for the promise of the peace which passes all understanding. We commit ourselves to You, Amen.”

*Taps or Solo*

*One rap of the gavel for members to be seated.*

## **Draping the Charter**

When a Unit is deprived of one of its members by death, it is customary to drape the Unit charter with black crepe during the period of mourning. The following ceremony is suggested for the draping of the charter.

Unit President: “We have assembled here at the call of our Maker who has taken from us one of our beloved leaders. We have come to give, by simple token, official expression of the grief of the Unit of \_\_\_\_\_. Let us first bow our heads in prayer.”

*Chaplain:* (Brief prayer) “Almighty God, who has dominion over life and death, grant to us the grace to remember with love and reverence our valiant and honored departed Member (Members). Grant peace and eternal rest to those who have gone before us, and make us ready for that last hour. Strengthen and console those in sorrow and bestow upon us Your everlasting blessing. Amen.”

*Unit President:* “We stand before the document which gives our Unit life and being. Under its authority years of devoted service were given by \_\_\_\_\_. She contributed greatly to its significance. Her service is ended by the results of her loyal efforts will go on and on for our American Legion Auxiliary and for God and the country which the Auxiliary serves. It is therefore fitting that about our charter we should drape this crepe of black, an expression of the sorrow that is in our hearts and of the mourning of the Unit of over its great loss.”

*(Drapes the charter)*

“Now we will ask God’s blessing for our departed friend and coworker, then go silently to carry forward the task to which she was giving so much when called away.”

*Chaplain:* (Brief concluding prayer)

## **POW/MIA Remembrance Service**

(The following is a “suggested” service to be used at American Legion Auxiliary meetings, banquets, luncheons, or memorial gatherings in conjunction with the POW/MIA flag draped over an empty chair...this service can be adopted as is, or modified to whatever is appropriate for your own preferred use.)

“Those who have served and those currently serving in the uniformed services of the United States, are ever mindful that the sweetness of enduring peace has always been tainted by the bitterness of personal sacrifice. We are compelled to never forget that while we enjoy our daily pleasures, there are others who have endured and my still be enduring the agonies of pain, deprivation and imprisonment. Before we begin our activities, we pause to recognize our POWs and MIAs. We call your attention to the small table, which occupies a place of dignity and honor. It is set for one symbolizing the fact that members of our armed forces are missing from our ranks. They are referred to as POWs and MIAs. We call them comrades. They are unable to be with their loved ones and families, so we join together to pay humble tribute to them, and to bear witness to their continued absence. The table is small, symbolizing the frailty of one prisoner, alone against his or her suppressors. The table cloth is white, symbolic of the purity of their intentions to respond to their Country’s call to arms. The single rose in the vase, signifies the blood they may have shed in sacrifice to ensure the freedom of our beloved United States of America. This rose also reminds us of the family and friends of our missing comrades who keep faith, while awaiting their return. A slice of lemon on the plate reminds us of their bitter fate. The salt sprinkled on the plate reminds us of the countless fallen tears of families as they wait. The glass is inverted, they cannot toast with us at this time. The chair is empty. They are NOT here. The candle is reminiscent of the light of hope, which lives in our hearts to illuminate their way home, away from their captors, to open

arms of a grateful nation. The American Flag reminds us that many of them may never return – and have paid the supreme sacrifice to insure our freedom. Let us pray to the Supreme Commander that all of our comrades will soon be back within our ranks. Let us remember—and never forget their sacrifice. May God forever watch over them and protect them and their families.”

Prayer. “Our Heavenly Father, we deem this a fitting time to pay our respects to our departed comrades. As we stand with bowed heads in reverence to them, let us remember the good deeds they accomplished. Let us revere them, as good soldiers who fought the good fight in a just cause, let us silently pray for peace, the peace that passes all understanding. And let us in mind and soul consecrate our hearts and lives to the real America, the land of the free and the home of the brave, the America worth fighting for. As we stand in silence to our departed comrades, may we sincerely say, ‘May their souls rest in peace.’ Let us also remember the POWs and MIAs still unaccounted for from the Wars and Conflicts. Amen.”

### **Alternative Prayer**

“O Lord, God, we pray for our prisoners of war. Comfort them, we pray, in their isolation from their homes and loved ones; supply their needs and protect them from want and deprivation; strengthen and sustain them day after day that they may face discouragement with courage and hardship with resolution. Grant that they may find patience to endure and peace in the knowledge of Your continuing presence. Most importantly, O Lord, we earnestly plead for their release and safe return. And grant to us the wisdom and the restraint to treat such prisoners as we may now detain in the manner in which we hope and pray our military men and women are being held in foreign lands. This we pray in Your name. Amen.”

### **Gold Star Mothers or Members**

*(Teas or social gatherings)*

Dear Heavenly Father, we are gathered here this day to honor the Gold Star Mothers (or members) of this community - women who have given a loved one in our country's defense. Their sacrifice has been great. Keep them always under Thy loving care and tender mercy. May their courageous spirit and unselfish patriotism inspire us, O Lord, to greater service for our beloved country and for Thee. May the beauty and luster of the Gold Star which they so proudly wear ever remain a challenging symbol to us, and, as their loved ones gave their "last full measure of devotion" to preserve the ideals of free America, may we, in grateful remembrance, ever remain steadfast in our devotion to Thee, O Lord, and may the time be not far distant when, throughout the world, there may be righteousness and peace. Amen.

Our Father Who art in Heaven, we thank Thee for the opportunity of meeting here this day, and especially that we may pay reverent tribute to these Gold Star mothers (or members) whose loved ones died for us in war's heavy toll. Let us always honor the memory of these brave men and all of our heroic dead, for their

supreme service and their incomparable sacrifice. Our Father, may we work side by side, serving constructively for the security and progress of America, with these valiant women over whose hearts the Gold Star gleams as an evidence of their own faith, their courage and their high spirit of patriotic devotion. Very earnestly do we pray for the hastening of the day when, among all peoples of the earth, Thy Kingdom will come, Thy will be done, and all the earth shall seek refuge in Thee. Amen.

### **Junior Graduation**

Our Heavenly Father, we ask Thy blessing on these Junior members who are now being received into our Senior group. May the high and lofty principles and ideals for which our organization stands inspire them and strengthen them to fulfill all their obligations and duties as loyal patriotic American citizens, obedient to Thy will at all times. May they be true leaders among their friends and associates and thus reflect the training and dignity which membership in our organization affords them. Receive them under Thy loving care and protection now and forevermore. Amen.

Almighty God, as these Junior girls assume the duties of Senior membership, may they have more firmly implanted in their minds and hearts the unselfish and courageous service and sacrifice of a loved one in our country's defense which has earned for them this coveted privilege of membership in our organization. May they always remain loyal to God and country, and responsive to whatever obligations or duties may devolve upon them, at all times revealing by their thoughts, words and actions a constant devotion to Thy teachings as expressed in the Golden Rule. Amen.

May our deliberations have Thy divine guidance, and may we now and in the days to come rededicate our organization and ourselves to the advancement of our sacred ideals, ever remembering that the American Legion Auxiliary's principal service is for God and country. Direct us so that we may perform our duties faithfully and efficiently; and abundantly bless us all, forevermore. Amen.

We thank thee, O God, that we are privileged to come together for this Executive Committee meeting. Direct our thoughts and our deliberations so that we may exhibit fair judgment and understanding of the matters submitted and trials of a world at war, endow us with fortitude, courage and faith. Bless those gone away from our homes into the service of our country. Be their companion in danger, their solace in pain, and at death, grant them eternal rest in Thy heavenly Kingdom. Continue to surround us all with Thy loving care. Amen.

### **Legion Birthday**

*(for joint observance of Unit and Post)*

Heavenly Father, bless us as we are gathered here tonight to celebrate the anniversary of the birthday of The American Legion, that great organization which has continued to serve America for the past years. We thank Thee for the opportunity which has been given to the American Legion Auxiliary to have a part in everything which The American Legion has done and in sharing its endeavors. Grant that the patriotic enthusiasm which inspired these Legionnaires to serve our country in time of war may continue to guide their activities at all times, and that the principles of Justice, Freedom, Loyalty and Democracy maybe preserved for a

happy and secure America. Bless all of our effort for God and country, and may we continue to be mutually helpful to each other. Amen.

Almighty God, we thank Thee for permitting us to gather here for the purpose of celebrating the anniversary of the founding of The American Legion. We thank Thee for granting to the mothers, wives, sisters, daughters, granddaughters, great-granddaughters and grandmothers of these men and women the opportunity to share their unselfish program of service consecrated to God and country. Deepen our earnestness and devotion to the high ideals for which our two organizations stand. May our numbers be increased and may we, as members of these two great patriotic organizations, with Thy help, rededicate ourselves anew to our work. Lead us fearlessly, courageously and nobly, increasing our usefulness and tempering our work with constant prayer for peace in our hearts. Amen.

### **Dedication of Honor Roll**

*(if Unit is asked to have a part in the ceremony)*

O God, bless those whose names appear upon this Honor Roll and all who have gone from our homes and hearts into the service of our country. Grant to them patience in the long wait, hope in the dark hours, steadiness in victory and loyalty in defeat. We thank Thee for the unselfish devotion of those who have sacrificed their lives that we might enjoy the liberties for which our forefathers fought. Especially, Dear Lord, let Thy blessing abide this day upon those of us whose lot it is to be at home in time of war. Teach all the ancient wisdom that, "They also serve who only stand and wait." Amen.

Almighty God, our Heavenly Father, we ask that Thy blessing may be bestowed upon those whose names appear on this Honor Roll, who have relinquished home

and happiness and all that they hold dear, and accepted the call to service so that Justice, Freedom and Democracy might survive, and so that the name and fame of this land we love may be kept unblemished. O God, keep them in Thy gracious care wherever they go and wherever duty calls them, and, if it be Thy will, bring them safely home. May Thy merciful blessing rest upon those departed heroes who have answered the last summons. Amen.

Strengthen our devotion to Thy teachings and make us worthy of the citizenship which these young people are fighting to maintain. Bless those in authority in our city, state and nation with wisdom to know and strength to do their duties honestly and well. Hear our prayer, Our Father, help us and bless us. Amen.

### **The War Bereaved**

Almighty God, sustain with Thy healing power all those whose loved ones have given their lives in the service of our country. Redeem, we pray Thee, the pain of their bereavement, that knowing their loss to be the price of our freedom, they may remember the gratitude of the nation for which they gave so costly a sacrifice. And grant, O Lord, that we may highly resolve that these dead shall not have died in vain, and that out of the agony of the present hour there may arise a new and better world in which Thy will shall rule. Amen.

### **Prayer in Wartime**

O God, our refuge and our strength, we beseech Thee to guide and protect our nation in the fiery trial of war. Grant us true repentance, and take away the offenses of our people, that with clean hands and pure hearts we may go forward in Thy name. Save us from hatred, cruelty and malice. Imbue our leaders with courage and wisdom. Strengthen and protect our defenders by land, by sea, and by air, and

suffer no dishonor to stain our arms. Safeguard and multiply the ministries of mercy; heal the wounded, receive the dying, comfort the bereaved. Bless those who labor in field and factory, in office and home, for our country's welfare. Make a speedy end of tyrannies in the earth, and deliver the desolate and oppressed of all nations. Hasten the advent of a righteous peace, and with great might establish Thy Kingdom. Amen.

### **Prayer for Peace**

Lord, make me an instrument of thy peace. Where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light; and where there is sadness, joy. O, Divine Master, grant that I may not so much seek to be consoled as to console; to be understood as to understand; to be loved as to love. For it is in giving that we receive, it is in pardoning that we are pardoned, and it is in dying that we are born to eternal life. Amen.
