August Bulletin 2023

In the spirit of Glenda’s theme “United-As-One,” and motto “California -The Golden State,”

Salute to all County (District) and City (Unit) Archive Officials!

This Archive Official, (Historian) would like to personally welcome each of you to the start of our archiving year together. The Clovis Workshop is right around the corner and this Archive Official is looking forward to meeting all the County and City Archive Officials in California! Hopefully all Counties are planning on attending or sending a representative to the Clovis Workshop. Packets will be readily available for each County Archive Official with important information to be distributed to each City in our beautiful State of California! Being “United-As-One,” it would be great to see tons of group pictures in the Clovis break-out meetings and throughout the workshop!

Here are some important dates that would be great archiving and picture opportunities.

August 2 ~ National Night Out  
August 4 ~ US Coast Guard Birthday (1790)  
August 6 ~ Department Junior Zoom Meeting  
August 7 ~ Purple Heart Day  
August 10 ~ US Department of Defense Birthday

THANK YOU to all those who have forwarded pictures to this Archive Official showing Counties and Cities being United-As-One! Please continue to email those photos at the highest resolution possible in a .JPEG file. This Archive Official would like to see every County monthly newsletter, yearly / monthly calendar, every County and City installation, event, activity, and everything showing how we are supporting our Veterans at home and abroad. It would be fantastic to have every city send group pictures of their Mayor, (Unit President) with respective City Leaders (Unit Officers and Chairman) and Youth Council Commission (Juniors) with required consent forms. If you have any questions, please feel free to reach out anytime.
