March Bulletin 2024

The convention season is in our near future, and I cannot wait to hear about all the wonderful things how our American Legion Auxiliary members are working the legislative program.

Remember you can watch the Washington Conference online Sunday, February 25-27 on the American Legion National website.

End of Year Reporting Dates:

A) Unit to District 04/04/2024

B) District to Department 05/01/2024

Remember, your supplemental report will enable me to share your story to Department and National.
