## WELCOME DEPARTMENT PRESIDENT LINDA HAYES

Department of California's President Linda Hayes visited Districts 2, 4, 5, 6, 7 & 11 in March. Each District spoke about a program they are working, such as Community Service. And various gifts were given to Linda. Donations of baby diapers & wipes were collected for Travis AFB. There was a luncheon and raffle prize drawing too! Thank you to everyone who helped put together this lovely event.
