2026 Membership Year- Unit Data Form

Renewal notices The following information will be printed on your 2026 Dues Notices so it is very important to ensure the information is filled out correctly and returned to the Department Office **NO LATER THAN April 15**. Form must be filled out and returned to the Department Office even if there are no changes. This information is extremely important especially with ALAMIS and the Department Office wants to make sure that the information for each Unit is correct. If there is a correction to the recipient of the dues, please notify Department **IMMEDIATELY**. We encourage you to use a *permanent* address such as a PO Box or building address. This would be beneficial to your Unit to have a consistent address from year to year.

BE SURE TO FILL THIS FORM IN CORRECTLY AS THERE WILL BE A \$30 FEE TO MAKE CHANGES TO DUES RATES AFTER FORM HAS BEEN SENT TO NATIONAL IN MAY 2025.
