## Department President's Special Project

My Special Project is divided between two non-profit organizations that offer support services to Veterans:

- VPAN, or Veterans Peer Access Network, is the nation's first ever community-driven support network serving Veterans and their families, it is a LA County Department of Mental Health program that works with the VA and other partners to link Veterans to the services their earned. Services include helping veterans transition to civilian life, offers peer supportive services, help with housing, substance misuse support, workforce development and employment, healthcare, education, legal services, and miscellaneous needs. More information can be found at <https://homeless.lacounty.gov/news/resources-for-veterans>.
- Veterans Transition Center of Monterey County addresses medical, psychological, occupational, financial, educational and social issues. Food, clothing, furniture, transportation, benefits assistance, mental health counseling, substance abuse recovery, employment resources, and community enrichment are additional resources available to veterans. More information can be found at <https://www.vtcofcalifornia.org/>.

Both organizations offer emergency, transitional, and permanent supportive housing.
